D E C I S I O N G R A N T I N G A P P L I C A T I O N**Summary**

This decision grants the application of Seyed Abdollah Hashemi Tari doing business as A Prompt Shuttle, an individual, pursuant to Pub. Util. Code § 1031 et seq., to expand its Certificate of Public Convenience and Necessity to operate as a Passenger Stage Corporation, as defined in Pub. Util. Code § 226, and to establish a new Zone of Rate Freedom, pursuant to Pub. Util. Code § 454.2.

Discussion

Seyed Abdollah Hashemi Tari, doing business as A Prompt Shuttle (Applicant), provides an on-call Passenger Stage Corporation (PSC) service under a certificate granted by Decision (D.) 08-11-049. The certificate authorizes the transportation of passengers and their baggage between points in Orange County and John Wayne Airport (SNA). The application requests authority to expand the on-call PSC authority to include certain points in the County of San

Bernardino, County of Riverside, portions of the County of Los Angeles and certain points in the County of San Diego to SNA. The application also proposed increased fares for Orange County, and new fares for the expanded service.

Applicant states the addition of several new terminals and domestic airlines to SNA is increasing demand for on-call PSC service to points beyond its currently authorized service territory. Applicant will provide free ride for the fifth and sixth passenger of the same group to encourage ride sharing to the airport, which will result in a benefit to the environment and reduction of private vehicles on the road. Applicant states it has the experience and ability to conduct the expanded PSC service. Applicant indicates he has provided on-call service for four years. Attached to the application as Exhibit C is Applicant's unaudited balance sheet as of March 15, 2013, which discloses assets of \$90,900, liabilities of \$13,000, and net worth of \$77,900.

The proposed fares for the expanded service, listed in Exhibit A of the application, range between \$25 (Costa Mesa in Orange County to SNA) and \$240 (Twenty Nine Palms in San Bernardino County to SNA). In D.08-11-049, a Zone of Rate Freedom (ZORF) was not authorized because Applicant did not request a ZORF. Applicant now proposes a ZORF in order to regain a competitive position with the many service operators in his territory. The requested ZORF will give the Applicant flexibility to adjust his fares in the future to respond to changes in operating costs, passenger counts, and other factors affecting revenues and expenses. Applicant seeks to establish a ZORF of \$5 above and below the proposed medium fare. The minimum fare will be \$20. Applicant will compete with other PSCs, taxicabs, charter sedans and limousines, public transit, and private automobiles in their operations. This highly competitive environment should result in Applicant pricing his services at a reasonable level.

Notice of filing of the application appeared in the Commission's Daily Calendar on August 20, 2013. Applicant served a notice of the application to the affected airports, cities, and counties, and Transit authorities.

In Resolution ALJ 176-3320 dated August 29, 2013, the Commission preliminarily categorized this application as ratesetting, and preliminarily determined that hearings were not necessary. No protest has been received. Given this status, public hearing is not necessary, and it is not necessary to alter the preliminary determinations made in Resolution ALJ 176-3320.

Waiver of Comment Period

This is an uncontested matter in which the decision grants the relief requested. Accordingly, pursuant to Section 311(g)(2) of the Public Utilities Code and Rule 14.6(c)(2) of the Commission's Rules of Practice and Procedure, the otherwise applicable 30-day period for public review and comment is waived.

Safety Considerations

In order to be authorized to commence operations as a PSC, the Applicant must comply with the following requirements in order to protect public safety: Proof of insurance pursuant to General Order Series 101, compliance with the controlled substance and alcohol testing program pursuant to Pub. Util. Code §1032.1 and General Order Series 158, and enrollment in the pull notice system as required by Section 1808.1 of the Vehicle Code.

Assignment of Proceeding

Emory J. Hagan, III is the assigned Examiner in this proceeding.

Findings of Fact

1. Applicant operates as an on-call PSC pursuant to D. 08-11-049 between certain portions of Orange County and SNA.

2. The application requests authority to expand Applicant's PSC certificate to include service between certain points in the County of San Bernardino, County of Riverside, portions of the County of Los Angeles and certain points in the County of San Diego, and SNA.

3. D.08-11-049 did not authorize the Applicant to establish a ZORF.

4. Applicant requests to establish a ZORF of \$5 above and below the proposed medium fare for any route. The minimum fare will be \$20.

5. Applicant will compete with other PSCs, taxicabs, charter sedans and limousines, public transit, and private automobiles in their operations.

6. Applicant served a notice of the application to the affected airports, cities, counties, and Transit authorities.

7. No protest to the application has been filed.

8. A public hearing is not necessary.

9. A California Environmental Quality Act review is not required for this decision because it can be seen with certainty that there is no possibility that the activity in question may have a significant adverse effect on the environment.

Conclusions of Law

1. Public convenience and necessity has been demonstrated and the application should be granted.

2. The request for a ZORF should be granted because the ZORF is fair and reasonable.

3. Before Applicant changes any fares under the authorized ZORF, Applicant should give this Commission at least ten days' notice. The tariff should show the high and low ends of the ZORF and the then currently effective fare between each pair of service points.

4. Because the matter is uncontested, the decision should be effective on the date it is signed.
